"To Do Good and Distribute—Forget Not."

In the fierce heat of noonday, at New Orleans, La., on Tuesday, June 17th, as usual, Generals G. T. Beauregard, of Louisiana, and Jubal A. Early, of Virginia, met to aid that most meritorious institution—the ancient "Charity Hospital"—by drawing tickets at the grand grand drawing (the 160th) of the Louisiana State Lottery. The wheel whirled around and scattered over half a million of dollars right and left. Without particularizing too many of the winners to become tedious, we report that ticket No. 86,440 drew the first capital prize of \$150,000. It was sold in halves, one of which fell to a lucky New Yorker who has not allowed his name to be used. Ticket No. 83,774 drew the second capital prize of \$50,000, one-half of which was held by S. M. Rothschild, a merchant of No. 232 Church street, New York City. Ticket No. 27,870 drew the third capital of \$20,000; it was sold in tenths, one to Mr. D. Geo. Henkels, a well-known citizen of Philadelphia, Pa.; another to Mr. Chas. Clarke, of the same city; another to A. F. Badlan, collected through Wells, Fargo & Co.'s bank of San Francisco, California; another to Phil G. Graham, Milwaukee, Wis. Nos. 11,181 and 41,309 drew the fourth capital of \$10,000 each; sold in fractions, one-fifth to Wm. Boyd, No. 3,132 School street, St. Louis, Mo.; Nos. 17,252, 66,114, 73,860, 80,681, drew \$5,000 each, and so it went on. The next drawing (171st) will occur on Tuesday, August 12th, of which full information can be had from M. A. Dauphin, New Orleans, La. \$265,500 will be scattered to holders of tickets costing \$5 each. Do not let the opportunity.

Among the Follies of the Age which the introduction of Soudzont long since exploded, was the use of abrasive and corrosive tooth preparations, which have often costed many a smile which vanished, or acids which dissolved it. Soudzont, a health promoting substitute for these empirical articles, is a botanic, skillfully prepared, highly sanctioned preparation, which not only beautifies, cleanses and invigorates saffron colored and defective teeth, but divests the breath of an objectionable odor and restores to it that of health.

Lost Faith in Physicians.

There are innumerable instances where cures have been effected by Scoville's Sarsaparilla, or Blood and Liver Syrup, for all diseases of the blood, when they had been given over by their physicians. It is one of the best remedies ever offered to the public, and it is prepared with the greatest care, as a specific for certain diseases, it is no wonder that it should be more effective than hastily written and carelessly prepared prescriptions. Take this medicine for all disorders arising from impure blood. It is enclosed by leading professional men.
